# BUILDING & INFRASTRUCTURE

## Fener and Balat Rehabilitation Programme

The aim of this Programme is to ensure that infrastructure projects are not only limited to renovation and restoration works but that it is also possible to ensure that renovation contributes to a permanent improvement of daily life of the inhabitants in the area. Integral to the Programme is the capacity building for the Municipality of Fatih in demonstrating procurement to international standards in accordance with EU procurement rules and programme management.

## The Supervision of the Renovation of Incubator Buildings for KOSGEB in Turkey

The overall objective of the Project is to support women's entrepreneurship by the establishment of Business Development Centers in Hacibektaş / Nevşehir, Kütahya and Çorum and to improve the institutional capacities of both KOSGEB and the renovated Business Development Centers in the field of business development.
